

Art No. AA0009

Screen Protector For iPad 2

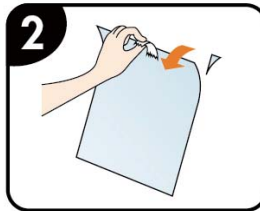

Specification:

- Transparent, anti-scratch film helps protect iPad tablets – ideal for iPad2 models
- Reduces fingerprints and repels dust and debris to keep display clean and clear
- Maintains colors, brightness and touch sensitivity
- Maximum coverage with full access to display and controls
- Easy to apply and remove without residue
- With high anti-static performance
- Strong resistance against scratching, with anti-friction treatment up to 4H

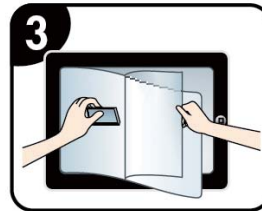

Instructions

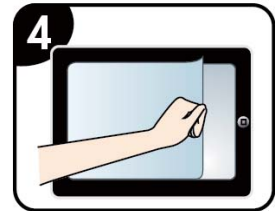

Step1:
Clean the screen thoroughly.

Step2:
Expose 1/2 inch of the Screen Guard. Take care not to touch the adhesive side.

Step3:
Align the exposed section (Step1) with the edges of DS screen. Make sure the screen Guard has been placed straightly.

Step4:
Peel off the mask with the provided sticker (Step2) after application completed.
