## Magnetic Privacy Filter For MacBook Pro®

Art. No.: AA0125  
AA0126

Anti-spy screen protector keeping information private and safe for MacBook Pro® and MacBook Air® (2018).

### Features:

- » Integrates seamlessly with MacBook Pro® by attaching to magnets that are already built in to the MacBook's frame
- » Limits viewing angle to +/- 25 degrees, hiding personal or confidential information from anyone trying to look from the side
- » High transmittance keeps excellent viewing clarity on screen
- » Matte surface reduces glare and shows no fingerprints and careless scuff
- » Reduces harmful blue light
- » Laptop can switch to Sleep mode when closed

Limited viewing angle to +/- 25°

Protects your eyes from blue light
