

Art No. HS0019

USB Stereo Headset

This USB headset provides high-quality audio in a light-weight and comfortable design. Large neodymium drivers provide clear detailed sound with a wide frequency response while the closed-back design helps to block out ambient noise. The thick around-ear cushions and adjustable headband provide long-lasting comfort, allowing you to listen for hours without fatigue.

Feature:

- Comfortable padded earphones
- Self-adjusting padded headband adapts to individual head size
- Flexible microphone boom for hands-free communication
- For Music, Gaming, Internet, Telephone, and Web Programs
- Pure digital USB, plug and play
- In-Line ON/OFF switch with volume control
- With an extra 3.5mm Jack for another Headphone to enjoy the perfect sound at the same time
- Astonishing sound quality
- Windows OS and MAC OS compatible
