

Art No. PA0088

400W PC Power Supply

Features:

80 PLUS BRONZE Efficiency at 230V

85% minimum efficiency at 50% load

12cm Fan

Whisper quiet 12cm fan brings more airflow volume with less noise than convention.

Honey Comb Structure with the Best Ventilation

Optimum structure for the best ventilation and maximize air flow to solve potential thermal and noise problem. Reduce the air resistance to minimum.

PCI-Express Power Connectors

Provide dedicated +12V for high end dual graphic cards.

Dual + 12V Output Rails

Ensure safe and stable system operation under heavy operation.

Output 24 Pin Cable with Nylon Sleeve

The cable sleeve avoids cable clutter, allows neat and easy installation for an improved airflow.

Patented Easy Swap Connector

Quick and Easy installation.

ErP Compliance

Its standby and off mode wouldn't exceed 0.5W consumption to save energy and maintain sustainable environment.

400W PC Power Supply

Package Contents:

- 400W PC Power Supply x 1
- User Manual x 1

Packaging Information:

- Packing Dimension: 235 x 178 x 100mm
- Packing Weight: 1.9kg
- Carton Dimension: 525 x 480 x 200mm
- Carton Q'ty: 10pcs
- Carton Weight: 20kg
